

# Celebrate with us!

## Place an ad in our program booklet commemorating ABC's 20 years of service to Middlesex County and Surrounding Regions!

We will be publishing a 5½" x 8½" program booklet for the occasion. The booklet will consist of donor advertisements or sentiments interspersed throughout the publication, along with a history of the ABC Women's Center and a biography of our keynote speaker, Michael Clancy. Mr. Clancy, a professional photojournalist, captured the amazing picture of the tiny hand of a pre-born baby reaching out of the womb and grasping the finger of the surgeon who was performing pre-natal surgery to correct the baby's spina bifida. The picture changed Mr. Clancy's life and shocked the world. The booklet will also include an article by Donnita Young, Executive Director of ABC Women's Center. This is a great way for businesses, organizations and individuals to "shout out" to a large segment of the pro-life community here in Connecticut and to support ABC Women's Center. ABC has been tirelessly saving babies and offering an alternative to abortion to women and families in crisis pregnancies for 20 years. The program booklet will be available at the event and will also be on our website with the link sent out via email to everyone on the ABC email list. Join us on Thursday, April 29, 2010 as we celebrate another year of helping mothers and saving innocent unborn lives, never forgetting there is so much more to be done. Please see the next page for ad or sentiment pricing and Banquet information.

You can send an ad that you already have on file for your business (business card *or* clean B&W copy *or* pdf format [if emailed]), or we will have one designed for you. The same goes for sentiments from parishes, churches, schools, civic groups, clubs or individuals. We can reduce or enlarge anything you send us (without stretching or widening) to fit the space. The booklet will also have pages to list names on our Benefactors List (\$20 donation), Patron's List (\$10 donation) and Associates List (\$5 donation). All donations are tax deductible and donors will receive the necessary documentation for their contributions. Businesses can deduct advertising expenses. Thank you for your help with this work as we continue to reach out to abortion-minded women with truth and love.
